

# Pre-Pay Plan

Larock Home Care offers an innovative way to prepare for the inevitable... getting older. We know time flies and understand that money isn't always as easy to come by down the road. We also know how important keeping the burden of your future care from your loved ones is to you. Because of this, we are offering the opportunity for a 'lay away' type of service we call Pre-Pay. If you know in-home care is the direction you prefer to take down the road, start now by setting money aside to invest in your future home care services.

Home is where the heart is!

- Invest the amount that's comfortable for you.
- Earn hours (like interest) on your investment.
